Editor's letter

As some West Midlands loon in a daft hat once screeched, "It's Chriiiiiistmaasssss!!", which means it's time to celebrate the passing of another year with loved ones, exchange gifts and embrace our universal human brotherhood. It also means that your favourite grot mag's got a bird in the Santa suit on the cover to get you in the mood! So if the thought of stuffing your face with dry off-cuts of turkey and trying to be civil to all those hangers-on who like to think of themselves as your nearest and dearest makes your blood run cold, we've got the perfect antidote! Whichever way you choose to celebrate, make sure you have a good one!

Spunk Mail

Got any naughty thoughts you'd like to drizzle in Michelle's ear? Well come on then – this is your chance!

Dear Michelle,

I've been reading *Men Only* for 10 years now, and with all the great girls' pussies and boobs I've seen in that time, yours are still the best! As a horny 29 year old average looking man I want you so badly. With your angel face, lovely big boobs and fantastic figure I would lick, suck and kiss your boobs while you gave me a sweet blow-job to make me hard. Then you would give me a tit-wank before I pulled your knickers down and lick your sweet pussy while you begged me to "Fuck me deep, baby!".

My cock deep inside your pussy and you moaning in ecstasy, your boobs would be bouncing up and down as I fucked you, before I finished off by spunking in your lovely mouth and you'd swallow all my hot spunk! I hope reading this has made you feel as horny as writing it has me!

Andrew, Bucks.

PS, any chance of seeing more babes like Britney Amber, Tommie Jo, Gemma Massey and of course yourself appearing in *Men Only* again soon?

Michelle says: Mmm, you've got me all wet with that dirty talk, Andrew!

Dear Michelle,

I've just picked up the latest issue of Men Only. Wow! All the girls in it are fantastic –as usual – but this month they are merely the warm-up act for the main event. You look absolutely sensational – the best you've ever looked. The she of you on page 49 where you're holding your ankle sent me to the point of no return in double quick time. You have definitely reached Goddess status as far as I'm concerned!

Steve, Lancs.

Michelle says: A great big thanks to everyone who wrote in about my pictures in the last issue – it's good to know there are so many fans out there!

Dear Michelle,

I usually hate work parties – especially the Christmas do – but last year's was absolutely amazing! The firm I work for has around 150 employees and this year, the powers that be hired a club and laid on a big event, including a sit-down meal. The seating plan was such that everyone was seated next to people from other departments, apparently to 'encourage mingling'.

I finally found my name and sat down beside a bird I'd seen around but didn't know, Maddie from Human Resources. She was a bit older than me and mentioned that she lived with her fella, but she was seriously sexy and, as the booze flowed and as she got merrily pissed, she became really flirtatious. And the real shocker came towards the end of the evening when I tried it on with her and she grabbed my crotch and said brazenly, "If you want to fuck me, you'll have to let my boyfriend watch!"

If I'd been sober, I'm sure I'd have freaked out, but Dutch courage made me agree. Maddie rang her bloke, Alan, while we waited for a cab, and as soon as we pulled up outside her place he opened the door to greet us. I'd been expecting a bit of a wimp who'd just kind of stand there, getting off on the humiliation as I gave his missus a good seeing to. But he was alright – a little bit older than Maddie and a pretty sound guy. He clearly appreciated what a horny bitch he had and liked showing her off. And who could blame him?

He offered me a beer but I'd already drunk more than enough, and having had Maddie pawing at my crotch in the cab home, meant I was raring to go. As she

"She grabbed my crotch and said, 'If you want to fuck me, you'll have to let my boyfriend watch!'."

PINKY… AND PERKY!

MICHELLE – OUR FLEXIBLE FRIEND!

Santa

Geordie (or possibly Mackem – I can never tell) strumpet Syren's been keeping herself pretty busy this year, appearing in numerous mucky flicks up and down the land and gracing each one with a splendidly shameless performance – but that doesn't mean she hasn't got time to pop along for a seasonal shoot for the nation's longest-running top shelf mag as well! And look, she's brought some ear muffs along! Looking at her, though, we could think of a few other things that we'd rather use to keep our shell-likes warm. Most of the office went for her cracking boobs, but I reckon the thighs look like a pretty good option as well…

SEE MY HARDER PICS

stripped down to pink lingerie, black suspenders and her knee-length boots, he asked would I mind him taking some photos, just for the two of them. I said that it would be fine – or maybe I just nodded with my tongue hanging out, I don't really remember.

This wasn't a threesome, but Alan was obviously calling the shots from the off. He instructed Maddie to strip me off slowly, then get down on her knees and show me some of her oral skills. Just the anticipation of getting me prick sucked meant I was painfully rigid by the time I felt her hot breath on my bell-end.

"Just the anticipation of getting my prick sucked meant I was painfully rigid by the time I felt her hot breath…"

She licked me slowly at first, obviously playing up to the camera, making sure Alan got the shots he wanted. It may have made some guys feel weird, but it didn't bother me at all – as she closed her lips over my helmet, moving them against the ridges at the top of my shaft, I just drifted off drunkenly, lost in the sensation of her sucking and lapping.

I thought this blow-job might just be foreplay, but she carried it through, gobbling half my shaft down her throat, and wanking the rest of it in and out of her mouth with one hand. Her other hand was cupping and rolling my balls around, churning up my spunk till it finally boiled over. I came so hard it caught her off guard, my first jet spurting down her throat, before she let my spitting snake slip out and aimed it instead at her face, Alan snapping away furiously with the camera, capturing every moment as she wanked me off, wringing out the last few drops. "Rub his dick against your face," Alan told her, and she instantly obeyed.

While I recovered and got my breath back, Alan took some solo pictures of Maddie, close-ups of her with her dripping pussy wide open, her fingers stuffed up inside it. It was a ridiculously horny sight. He was telling her how wet she looked, and I was soon hard enough to feel it for myself.

Now Alan started directing me too, like I was his 'stunt cock', deciding exactly what his willing missus was going to get. Fine by me – it just built up the thrill as I ground my prick against her slit, wetting it without thrusting – pausing the action just let me keep control of myself. Then, he told me to pull her wide open and stuff my cock right up inside her.

She was ultra-fit, with one of the hottest, toned-up arses I've ever seen, and her snatch felt even tighter than it looked, gripping my shaft as I pushed it in. She moaned – not just working it for the camera this time – as I started to ram in and out of her. She reached back to rub her clit, parting her lips so Alan could see how swollen and stiff it was, which is when he told me to finger her arsehole.

"She moaned – not just working it for the cameras this time – as I started to ram in and out of her."

I didn't need telling twice and wet her bum with spit, rubbing it in as I teased her puckered hole open. I stuck two fingers in her arse, sliding them in knuckle-deep. She was tight, but took them easily – she'd obviously had plenty of cock up there before.

This drove Maddie wild – she was banging and bucking against me as I stuffed her two holes

BOOKY HOLE!

Christmas is fast approaching, which means the desperate rush to track down suitable pressies is upon us once more! Books are always a winner, frankly, and we've got a few suggestions for new titles that should look very nice indeed poking out of the tip of a big woolly stocking…

For stargazers, look no further than the beautifully produced ***Mapping The Universe*** (from Carlton Books, £30), which is packed full of informative and, well, thoroughly eye-pleasing illustrations that chart the history of man's knowledge of the heavens, from the early days of the Stone Age and Ancient Egypt through the eventual realisation that the Earth wasn't the centre of everything after all and right up to the present day, when telescope technology has allowed us to explore the distant reaches of the universe and peek back to the beginnings of time. Dazzling and mind-boggling stuff from start to finish, all wrapped up in a book that'll have you dipping in and out for years to come.

If that's all a bit too boffiny for you, though, how about the more picture-led ***Steve McQueen: A Passion for Speed***? Published by Motor Books for £25, it's crammed full of almost 200 pages of one of Hollywood's most recognisable icons at work and at play – with the emphasis on the play, with the speed junkie more often than not snapped behind the heel of some muscley motor or other. As coffee table fodder goes, it doesn't really get much cooler than this!

Like dad rock? Or maybe you're into the psychedelic excesses of the late 60s? in either case, there's no getting away from Eric Clapton, and ***Clapton: The Illustrated History*** (Voyager Press, £25) by famed rock journo Chris Welsh is about as mighty and visually pleasing tome you're ever likely to get about the Yardbirds, John Mayall, Cream and Blind Faith twanger. It can be read as an in-depth review of the guitarist's life and career, or just delved into time again on the strength of the fantastic poster facsimiles and photos that litter pretty well every one of the 250-odd pages. It's enough to get you dusting off those Derek and The Dominos 45s you've got in the attic and give them another spin!

full. She was begging Alan to let her suck his dick, like she was a fucking porn star, but he just ignored her and continued to snap away. I felt her orgasm, her pussy muscles contracting around my length, before I went for it and banged away for all I was worth, Alan letting me do my own thing now. I groaned that I was coming, again losing a drop or two inside her, but pulling my sticky tool out so I could spurt on her, too. I withdrew my fingers from her arsehole leaving her ring gaping slightly, so my thick white cream oozed down into it.

I'm not one to outstay my welcome, and it was fairly obvious that Maddie and Alan were desperate to get stuck into each other. I had a beer while they called me a cab, but felt like such a spare prick – literally – that I went outside for a ciggie, and waited for my taxi there, smoking and listening to the sounds of raw, fucking coming from their bedroom.

Next day, a lot of people came into the office late with hangovers, naturally. I used my 'lie-in' for a leisurely wank over the previous night's action.

During the past year I've bumped into Maddie at work a couple of times – she's smiled sweetly, flirted a bit, then moved on. But I still reckon there's a chance I'll get to enjoy round two at this year's Christmas party! Bring it on!

Marc, Nuneaton.

Dear Michelle,

I just wanted to write to say thanks for featuring so many hot girls again in the pages of *Men Only* this year! I've been flicking through some of my back issues from volume 76, and already I've lost count of all the girls I've been impressed by, but I really want to mention Louise Banks, Kystal Webb, Roxanna, Kate Hunter and Connie – all top notch babes who've ensures that *Men Only*'s still going strong after all these years! I can't wait to find out what treats you've got lined up for us for 2012!

Eddie, via email.

Michelle says: Well, Eddie – we've got plenty of goodies in store for next year – check out page 99 for one legend of the industry who'll be back in *Men Only* next issue, for starters!

DIY... YES OH YES!

Do It Yourself – something we're probably all familiar with in one form or another (fnar fnar!), but this cheeky book from Tashen (and priced at only £8.99!) gives the concept a whole new twist. It's basically a selection of saucy photos that girls have taken of themselves! So each picture sees a girl standing in front of a mirror, or just facing their camera on a tripod, mimsy out, with a shutter release cord in hand.

It's a strange idea that on the face of it seems rather restrictive, but hats off to the ladies – they're a creative bunch, and a lot of the images are very arresting indeed. Not to mention arousing! We were particularly taken with Luna the Brazen Lady, who gets (and deserves) a whole section to herself. It's almost enough to make you up sticks and move to Paris to try and track her down!

Men Only TOY OF THE MONTH

Little Rooster
littleroosterstore.com
£69

I know what you're thinking – it doesn't look much like a rooster, does it? Even those 'rabbit' vibes had something that vaguely resembled a bunny stuck on the top, but a rooster? Nah, just don't see it. Well you need to think a bit more out side the box on this one, because what, pray tell, does a rooster do? Shag chickens. Yes… but it also wakes you up in the morning and this is the world's first sex toy/alarm clock!

So how does it work? Simple, your lady love pokes it inside her knickers when she goes to bed (assuming she's wearing them, otherwise she'll be late for work) and then, at the allotted time in the morning, she'll be awoken with a delightful vibration in the nether regions that should ensure that she starts the day – and spends the rest of it – with a great big smile on her face! Genius! There are plenty of settings to adjust the power and pulse patterns, making it a versatile toy as well as an alarm, so really, what are you waiting for? A version for men?!

We're not entirely sure what it is about this time of year that makes us want to get up close and personal with the delicious Cherry Jul, but there's no getting away from the fact – this horny babe's got the knack of making these long winter nights fly by! All she has to do is slip a finger or two inside that pussy of hers and, keeping her eyes on us at all time, start spouting some of the filthy talk she loves to come out with and we're putty in her hands! Quite frankly we'd happily stay holed up with her for months on end wouldn't give a stuff if there were blizzards and all manner of seasonal horrors outside!

Come on – what are you waiting for?!

Sara's getting up to some naughty apres-ski fun with her mate's dad!

Last year my parents gave me an early seasonal gift when they paid for me to go on a skiing holiday with my friend Kelly's family.

Kelly and I have been friends forever and our families are very close. Although we are both 19, we still live at home because we are both lucky enough to have parents who treat us like adults.

I love Kelly's parents, they are very easy-going, and I also get on well with her two younger brothers, so there were no potential problems about spending ten days with them in a ski chalet in the French Alps.

The chalet was magnificent and the instant we arrived we choose our rooms then got right into our ski gear and hit the slopes. Kelly's mum was a little tired after the journey so she didn't accompany us, so there was only myself, Kelly, and her brothers and dad.

Her whole family are experienced skiers, so the boys immediately peeled off to the more advanced slopes while Kelly and her dad stayed with me on the nursery slopes.

After a while Kelly joined her brothers but her dad Tom stayed with me, helping me to get my snow feet. It was strange being with him all alone and I felt a little shy at first as this was the first time he asked me to call him by his first name.

When the lesson was over it just seemed natural to give him a kiss as I thanked him for his time. As I leaned in to do so Tom moved his face, so that instead of kissing him on the cheek our lips met and we kissed like lovers.

I didn't pull away but returned his kiss – don't ask me why – maybe it was the excitement of being on holiday or something. I'd never thought of Kelly's dad in this way before; It was as if I was seeing him for the first time, and I realised how manly and handsome he was. I knew what we were doing was totally wrong, but it felt so good that I just went along with it until after a few seconds we separated, flustered but undoubtedly aroused.

Over the next few days we exchanged little smiles and kisses whenever we could and by the weekend I was totally mad for him.

"He rubbed his thumb over my clit, sending me over the top…"

When Saturday night came we all went into the town to a bar and later Kelly and I went on to a club. Kelly immediately paired off with her ski instructor, and I had a few dances, but all the guys seemed to be either too young or boring.

The night went slowly for me and when Kelly's dad turned up to walk us home I was very glad to see him. Kelly however, wanted to spend some more time with her ski instructor, so her dad told them to enjoy themselves and that he would act as my escort. It was fun having Tom to myself and I made the most of it, holding his hand and leaning into him as the snow fell softly around us.

Tom put his arm around me and kissed me, pulling me close to him. No longer able to restrain myself, I pushed my hands inside his coat, brushing against the hard bulge in his trouser-front as I put my arms around his waist. We moved into a shop doorway to shelter from the wind and kissed. As we did so Toms hands gently opened my coat and blouse, stroking my breasts and making me moan with pleasure.

The cold air played over my nipples, heightening my pleasure as I reached inside his coat and unzipped him. Tom's hands moved under my skirt, lowering my panties and tights, sending tingles of pleasure through my pussy as he stroked my moist labia with his fingers. As I released his erect cock from his boxers I grinned, realising how big he was.

It was very cold but we were so aroused that neither of us seemed to notice. Tom's finger slid in and out of my pussy, banging me until the friction brought me close to orgasm. Then he rubbed his thumb gently over my clit, sending me over the top and making me come hard against his palm.

With my hand wrapped around his shaft I dropped to my knees in the snow and began sucking his cock. It was fatter and longer than any cock I had ever seen, and I especially enjoyed licking his huge helmet. Tom stroked my hair, thanking me softly for giving his so much pleasure. This made me feel so good that I attempted to deep-throat him, something that I had only read about in a magazine article.

Tilting my head back, I sucked Tom's cock as far inside my mouth as I could, gagging slightly as his helmet touched the back of my throat. He gently pulled my head back, telling me not to try so hard, so I slowed down and just bobbed my head on his rigid cock as I pleasured him with my tongue.

Knowing he was close to coming, Tom helped me to my feet, and I wriggled fully out of my panties and tights. Leaning me against the shop door, Tom encouraged me to put my arms around his neck while I wrapped my legs around his waist. I was so ready for him that his cock slid easily between my warm wet labia.

In and out he shunted his thick cock, making me gasp as each stroke rasped against my receptive nerve endings and sent quivers of pleasure rippling through my pussy. My pussy clenched around his thrusting shaft as he slammed me deeper and faster.

I moaned, holding tight as he thrust upwards inside my throbbing hole, and just as I felt my orgasm begin, Kelly's dad's seed exploded inside me and I took his full load deep inside my spasming cunt.

My orgasm seemed to last for minutes rather than seconds as I clung to him, wishing that this stolen moment would last forever.

"Tilting my head back, I sucked Tom's cock as far inside my mouth as I could..."

OK, I'm too old to believe in Santa, obviously, so instead of shoving my list up the chimney, I just slipped it under the Ed's door. When he woke up and spotted it there he just assumed it was a little 'to do' list he'd got and, well, here we are! Honestly, if only I'd known all those years ago that the best way to get what you wanted was by subterfuge rather than through honest toil I'd probably never have ended up working on the finest mag in the country. Erm, hang on – that's actually a bad thing, isn't it...?

Jordon

Photographer: **Steve Colby**

She's got a stupendous pair of funbags, a heart tattoo over her spadger and she calls herself Jordon – do we spot a girl with something of a Katie Price obsession?!

"I wouldn't say I was obsessed!" the mammoth chested flamper told us when we asked her about this. "Having said that, I've been a big fan of Jordan for quite some time. There's something about her that always gets my pussy wet, and when I was trying to decide on a modelling name it just sort of came to me. I suppose what I'd really like to do is a shoot with Jordan herself. Thinking about it, it wouldn't even have to be a shoot – it would just be pretty sweet if we could get together!"

Hmm, yep, I can imagine it would, although it really would be a shame not to get any piccies!

"I'm a total cockteaser and I find it very exciting to torment a guy!"

Te Bendiga Ben

Interview
Angelina Valentine

Yes, she looks a little like Angelina Jolie (hence the stage name and the tattoos) but Angelina Valentine's exotic looks come from her Italian and Venezuelan ancestors. Growing up in South Kentucky, she wanted to be President, and she hung out with the rebels in high school before she got as job as a stripper at the age of 18. The 5'4" hellcat moved to Los Angeles in 2007 to try out the adult film industry, and has since appeared in close to 100 movies. The main reason Angelina entered the industry was because she likes having sex, and she sees it as a fair trade to get paid for doing something she loves. Can't really argue with that, can you?

How was your first sex scene?
It was alright. I wasn't particularly nervous or anything. It was, however, a little more time consuming than I expected, but it still turned out fine! If I were to do the same scene now, it would be even better. It's tricky to know what to do when you have never been filmed before.

How do you decide on what actors to perform with?
In the beginning I didn't know I could pick whomever I wanted, and I didn't really care. I just thought it was exciting to have sex with a stranger, no matter who that stranger was. Today, I prefer the men who have been in the business for a little longer.

Why is that?
My thing has always been the older guys. I have never dated anyone my own age. It's always been really important to me that the man is a great lover since I sometimes find it difficult to climax unless the guy fucks me just right. And the younger dudes rarely have the experience to do it.

So what does it take for you to get off?
It's the whole rhythm; they way they pound me. I like how some guys eat pussy, but it's more important how they move inside me. Guys my age tend to just pound away like crazy and they come immediately *(I bet they do! – Ed.)*. They don't consider my pleasure. I usually end up masturbating until I come. Although they usually like to watch me do that, I would prefer if they just fucked me the way older guys do.

What special tricks do you have to please your men?
I tease them silly. I know how to get a man hard just by looking at him. Touching everything but his cock for a while before I attack it with my lips. My tongue is pierced and I can deep throat like no one else. Things like that. I'm a total cockteaser and I find it very exciting to torment a guy. I do it for my own pleasure, too.

Your blow-job skills are award-winning, in fact!
Yes, the X-Rated Critics Organization gave me the Deep Throat Award in 2009. I do believe I deserved the prize because I have no gag reflex; I can literally deep throat any size cock!

How do you become a great lay?
By loving what you do. You have to be willing to try everything at least once before you say you don't like it. And then maybe you will find that the thing that seemed so disgusting really wasn't so bad, after all. Maybe you even liked it and want to do it again!

Did you have a change of heart yourself, when it comes to sexual activities?
Yes, even though I was a stripper, I was very much a prude and a pillow queen before I got into porn. But I figured I had to keep an open mind or no one would book me. And now I have a whole repertoire of things I love to do, that I never would have considered before.

"A decent blow-job is not rocket science; simply suck and swallow!"

Name a couple!
Threesomes have quickly become my favourite, although it took quite a while before I tried it. And I happily swallow come these days, which I never did in my private life before. Now I think it's one of the most sensual aspects of love-making.

What would you like to tell all the bashful come dodgers out there?
Look, ladies, if you wanna get married, you must know how to give good head and that includes the grand finale! It's nothing to be squeamish about; you just do it. A decent blow-job is not rocket science; simply suck and swallow!

What do you do to keep you body in such good shape?
I don't do anything except for a lot of dancing. Although as you can see, I did enhance my tits quite a bit. That's mostly because I love big titties myself. I would have gotten a boob job even if I had not been in porn. I'm not attracted to flat-chested girls, and I don't think most men are, either.

What kind of women do you usually go for?
Personality wise they should be sensual. I don't go for the goofy, bubbly or ditzy chicks, I'm more for the cool, smoldering types. It's the same with men. I don't date the class clown or the loud mouth. A sexy, self-confident man doesn't need to draw attention to himself, he just is.

How do people react when they hear what you do for a living?
For the most part they seem to think it's pretty cool. After the initial surprise, they usually ask me if I know their favourite porn stars.

What would you tell the guys out there who want to break into porn?
Don't! It's not at all what you see. More often than not, the atmosphere on set is stressful and not at all as sexy as it appears in the final film. If you are looking for great sex, you are better off trying your luck at your local bar. Being a male porn actor is unbelievably hard work, and I'm very happy I'm not a guy in this business!

Do you have a boyfriend?
I'm never in a serious relationship, but I'm always dating someone. Sometimes I'm with men and sometimes I'm with girls. I like both, and I like new people.

Are you as energetic as you seem on film?
I know I'm known for my outrageous sexual energy, but at home I'm much more subdued. I definitely live out all my wild streaks on set.

What do you do when you are not working?
I just stay in and watch horror movies with my dogs. I like to read also. There are many different authors I like, but Stephen King is my all time favourite.

What are your next plans for your porn career?
I'm gearing up for my anal debut and I'm going to film it for my new website so you can see my tight little butthole getting railed. That will be very cool. And I'm installing a webcam in my bathroom so people on the internet can watch me when I touch myself in the shower. I'm very stoked about that, the whole concept of direct and personal interactions with my fans. I always respond to all my messages from fans personally so it's not some weird dude behind a computer pretending to be me.

You must have a rather big fan base by now. What would you like to tell them?
Anything you guys want, I'm going to give it to you! So keep your eyes peeled and I will be here fucking, sucking, squirting, and coming every last drop of come that is in me for you guys. I love all of you reading this and I send you big, wet kisses!

Tradition dictates, ladies and gentlemen, that at this time of year we get a girl to dress up in a ridiculous Santa outfit. Don't ask me why, but it's been going on for donkey's years and we'd hate to upset the applecart after all this time! Still, if you're going to honour hidebound tradition I can't think of a better way of doing it than with the delicious Beth (aka Zafira) peeling of and giving us an eyeful of her stupendous bod! In fact now that I think about it, I can see exactly why the whole tradition started in the first place! I wouldn't mind if she invited me for a long weekend at her log cabin at any time of the year!

Nativity Ploys

Getting your log over this yuletide

They say a bit of what you fancy does you good. But what if you never get any of it – not even as your Christmas present from your partner? Exactly. Struck a few raw nerves there, didn't we? But soft, dear reader. Dry your eyes while I feed you some subtle ploys to lovingly manipulate the lady in you life into granting you the seasonal treat you so vainly crave...

Blow-jobs

Did your daddy never tell you what the vice on the workbench in a shed is for? Then I will: holding your ladyfriend's head at peace and the mouth open in an attitude resembling awe while her fella follows Mother Nature's oral dictums. Since it's Christmas you can drape tinsel from her ears and even sing carols, keeping time with your thrusts or a tap of your foot. Just be sure the business is consensual and, legally, you're covered.

December being a chill old time of the year, your only potential obstacle is how to draw her out of the safety of the house and into position for some Yuletide fellatio. Actually it's not that difficult. I've been married twice, and both times I've simply called indoors "Hoy come out to the shed and see this!" and then: "Will you crouch and examine them two earrings on the floor by the bench and tell me truthfully do you think those are real diamonds."

Then spin the lever on the vice, and, as I always says, as long as it's consensual, you're fine. Anything goes wrong, set a fire (sheds are perfect for this), and the most that anyone who asks needs know is that the tragedy was down to the experimental foolishness of a young couple in love and, moreover, a private matter between married people. If they won't mind their business, appeal to the court's Christmas spirit. The worst they can give you's probation.

If you don't have access to an out-house, play the "healthy lifestyle" card with your little lady fair, citing the scientifically proven fact that junk is protein-rich and high in polyunsaturates. You might want to mention pentapeptides as well, which will be sure to seal the deal, in spite of the fact that nobody knows what the hell they actually are and most serious-mined people suspect they don't even exist at all.

Threesome

There can, indeed, be few men yet alive or at liberty, who have not at some time contemplated a threesome with the wife and her best mate. Well, contemplate no more! With a little perseverance this Christmas you shall get your oats from the two nose-bags at once or I am the uncle of a monkey.

To begin, let us err on the side of optimism and assume that Her Indoors is not an especially worldly woman. Compared to yourself, she has led a sheltered life. Ideally she will have been raised in the wilds by woodcutters or nuns, sport "lady-bumps" instead of knockers and still think her cunt's a vagina. She would not know a wolf like yourself if you dressed as her granny and ate her.

Begin by openly admiring other women, emphasising how much sexier she'd look in an identical costume. Then pile on the sapphic innuendo. "Heavens! Wouldn't you make a magnificent spectacle together? It doesn't half excite me to picture you strolling down the street beside that fit girl I pointed out yesterday."

Hold off for a day or two after that, then add casually: "With your hand down the gusset of her knickers."

Sometimes there's a bump in the road at this point and your missus smells a rat. If so, feign a breakdown; beg forgiveness. Confess to sleepless nights crucified by fabulous irresistable images of her lezzing it up with "another, albeit less sexy, lady". If she knows anything of pity she'll immediately make arrangements for some sort of "sympathy threesome" if her chum should prove willing.

In the highly unlikely event that the ploy above fails, borrow a scorpion from some nutter who keeps lethal reptiles and insects. Release scorpion on bed (making certain you're not in it). Your lady-love awakes. Spots scorpion capering on tit, raising stinger. Shrieks. Enter from the hallway, yourself, the bold hero, high powered air rifle tucked in at the shoulder. Blow scorpion away. Huzzah! Hottie's life saved. Voted Man Of The Month by local Rotarians. Your spouse is all over you, still in shock, but dripping with gratitude. How can she repay you? Broach three-in-a-bed plan!

Back-Door Action

Bumming your good lady on Christmas morn is the Crimbo wish most likely to meet with stern resistance.

There's normally some sort of 'reason' for this. Try to find out what it is, the more effectively to rubbish or ignore it. She may, for example, be labouring under the misconception that her back door was designed for one way traffic only, and is worried that some sort of damage might be done by your repeatedly easing your old chap up there. She might even think that you'll love her the less, having stripped her of some of her womanly allure by slipping her one up the wrong 'un.

Your job is to convince her instead that a poke up the shitter 'neath a sprig of mistletoe will almost certainly prove to be the solution to all her problems: sexual, social, professional and even financial. If she asks for an explanation, say you'll tell her afterwards. Moreover, should she consent to your naughty plan, you'll only love her the more – if that's at all possible.

Still getting nowhere? Then shock her into anal by explaining, in horrific detail, the ugly truth about such allegedly glamorous activities as Messy Play, Scat and Brown Showers. After that, what you're asking of her will seem timid, and she'll almost certainly go along with your plan out of relief that you're not angling after anything filthier. If your ladylove still fears she may lose elasticity in her ring, make out you can easily replace it with the one off the Hoover bag.

The Saddest Art Gallery Online
http://weirdartists.com

Ever yearned to view a collection of the weirdest paintings on the planet? Well now you needn't surf the net for months in hopes of spotting it one depressing jpeg at a time. This one URL seems to have gathered all the eyesores ever daubed on canvas and, rebranding them as "weird and cool", popped them up on the net to be sold – sold, mark you – for big bucks, presumably because they imagine that there's one born every minute. Check it out: here you'll find a multitude of painful-to-look at paintings by people who couldn't scrawl their name on the side of their house with a gun at their head... all offered up for your uncritical admiration.

"Follow our art gallery sales online and get great deals on amazing art by cool artists."

No, they're not kidding. But they should be.

In Hopes That Missing Socks Will Be Matched and Reunited
http://funbureau.com

The Bureau of Missing Socks is the first organization solely devoted to solving the fraught question of what happens to missing socks. It explores all aspects of a phenomenon which has plagued humanity ever since men first wore hosiery... a phenomenon so frustrating that daily contemplation of where in hell the matching sock has got to as they try to dress has broken many strong and intelligent men. I'd have preferred if the site were to be hosted by veteran ventriloquist Shari Lewis's hand up Lamb Chop, but hey, maybe that's asking too much?

INTERNET CRIME ARCHIVES
KILLERS ON THE RUN

The Internet Crime Archive
http://www.mayhem.net/Crime/serial.html

Though fascinating and comprehensive, there is something more than just slightly manic about this site. In short, it's sinister, and reads as if the web masters all have corpses in their basement chest freezers. It does not seem so much as a labour of love as an obsessive-compulsive attempt to make every other topic on the Internet seem irrelevant. The terminology used, such as "proven hits" (for serial killers and assassins), and homepage menu classifications, e.g. "BODY COUNTS" and murdering psychos currently free and clear and "ON THE RUN" – quite possibly hiding out in your town or even your apartment block – all serve to set it somewhat apart from other homicide-themed online databases, like The Murder Library,

The Crime Archives catalogues its serial killers by their number of "proven hits", as described above, because "some killers are suspected of much higher body counts and others brag about crimes they never committed. Check in the Morgue for the latest entries."

Yes: they have an up-to-the-minute Morgue section. Plus "the Serial Killer Hit List has been broken into four sections according to number of hits".

Anyone else beginning to feel a slight chill yet?

Despite my own suspicion that the website has been designed for the edification and entertainment of serial killers and assassins by serial killers and assassins, I can prove nothing, and quite frankly, the information is (speaking as an historical criminology buff) accurate and well presented.

In truth, those with strong stomachs could spend days on this site. I just can't shake the horrible (though possibly entirely unfounded) suspicion that the authors figuratively wallow in all the blood and guts of the countless slaughtered victims it describes like swine rolling gleefully in shite.

Society Of Idiots
http://www.not-mensa.com

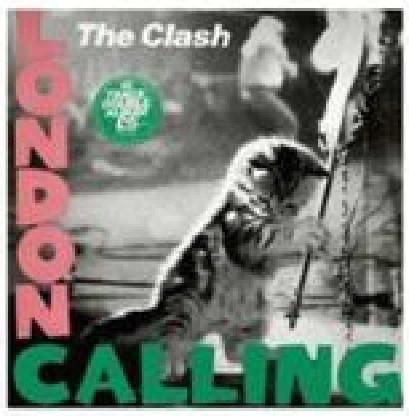
Not Mensa describes itself as an online Society of Idiots and the "hard of thinking", with a dumpster-load of tests designed to measure the stupidity of its members – and idiots in general (the site is anything but elitist). The members of this site have an IQ of less than 78.2 and can share pointless hobbies.

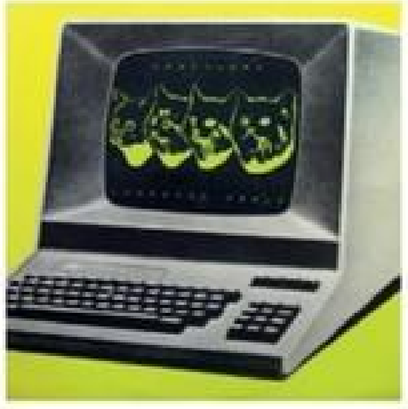
The main hurdle facing anyone interested in participating is, say the webmasters, whether or not the user is sufficiently cretinous to qualify for membership. You really do need to be a very blunt pencil indeed, and even the fact that you were clever enough to navigate a web browser to the Not Mensa site is going to count against you.

Not Mensa membership candidates should ideally be exceptionally stupid, possessing a brain incapable of functioning on a plane much higher than that experienced by a hedgehog. Consequently the site features any number of bizarre collection IQ tests guaranteed to waste even the most slothful moron's time.

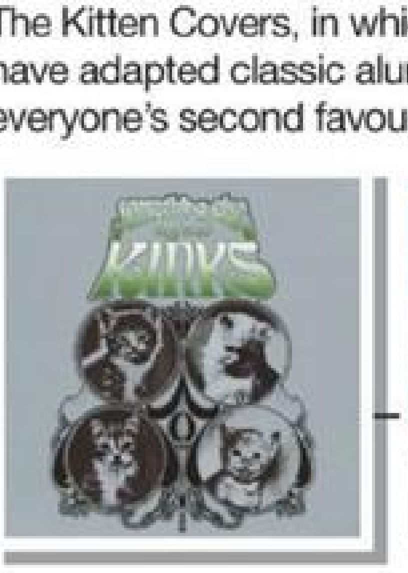
There is also a forum for the dim-witted which encourages the exchange of mindless ideas and observations. Other forum activities include discussions on hopelessly unimportant and thunderingly boring topics, brain-dead standard trivia snippets and any other bobbins the webmasters can think up which might engage the fleeting attention of the witless, such as images of shiny objects.

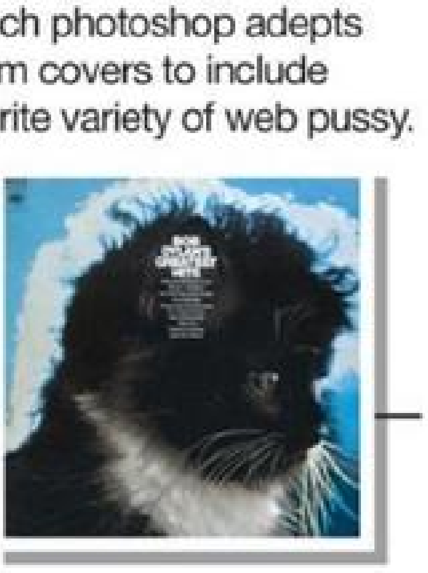
The Kitten Covers
http://thekittencovers.tumblr.com/





If there's one thing there's plenty of on the web – apart from lo-grade smut – it's piccies of cute kittens. Christ, it seems like such a primordial urge in certain elements of society that it's a wonder that our cavemen ancestors didn't decorate their grottos with daubings of wide-eyed kitties rather than boring old bison and horses. Anyway, aside from all the regular pictures of kitties lying around looking cute, at least some sites are getting a bit more creative with the idea (subversive, even? Well, maybe…), and our current fave among these is The Kitten Covers, in which photoshop adepts have adapted classic alum covers to include everyone's second favourite variety of web pussy.





Codi

Photos: **Hank Londoner**

As you might just have guessed from her fresh-faced appearance, Codi here is still young enough to get all excited about Christmas.

"Oh yeah, of course I am!" she gushed. "I love everything about it – the food, the crackers, the presents. I'm not sure I quite wish it could be Christmas every day, but I reckon if we had one every couple of months that would be great – a whole year is way too long to wait in between each one!"

So what does she hope to be getting this year?

"Jewellery always does it for me! If a guy wants to give me a pearl necklace, a good way to start would be by giving me a, erm, pearl necklace!"

Looks like we'd better start saving up...

Cathy Cums Home

When my wife, Donna, and I started going to adult heath spas about a year ago, we were hoping to add a little bit of a thrill to our love lives. We'd heard that, at one place fairly close to us, you could watch couples making out on certain nights, and we had always liked the idea of watching other couples have sex. Sure enough, it provided a spark, and we really got off watching other people do it in front of us. Eventually, we built up the confidence to indulge ourselves – the first time I made love to Donna with another couple watching was one of the horniest things I've ever done.

However, Donna has found that the experiences we have had have opened up her imagination in ways we never even considered. A couple of months ago, she started telling my how sexy she thought Cathy, one of the other women we'd met at the club, was. I teased her, saying that she'd better not turn lesbo on me, and she flushed bright red, saying that there was no chance of that because she loved my cock too much, but that she wouldn't mind seeing what it was like to have sex with another woman – just as an experiment.

Well, I was actually a little shocked to say the least. I mean, like most blokes I'd always fancied the idea of watching women get it on together, but the idea that Donna wanted to give it a go, well, it took a little getting used to. We talked it over, and Donna reassured me that it was just an experiment for her. In the end, we decided that Donna would approach Cathy, and that if Cathy was up for it, we'd give it a go.

To cut a long story short, the girls arranged to spend a night together, and even agreed that I could watch for a while, as they thought that it might be a bit of a thrill too – the idea of performing for someone.

> "I could see Donna's body trembling as Cathy's fingers worked on her pussy…"

When the big night came, Cathy turned up and the three of us sat downstairs and chatted for a while. Then I made myself scarce for a bit so that the girls could have some time to themselves. When I returned, the pair of them were on the sofa, snogging away passionately, and I could see Cathy's hand was between Donna's legs. I sank

quietly into a seat in the corner and watched, my cock stiffening instantly.

I could see Donna's body trembling as Cathy's fingers worked on her pussy. The two of them seemed pretty much oblivious to my presence. Cathy moved away from Donna, kneeling before the sofa, and then pulled Donna's knickers and skirt off in one quick motion. I could see the juices glistening on Donna's pussy for a moment before Cathy moved in and started to lick her snatch. Donna whimpered as Cathy pressed her tongue inside that hot, wet pussy, and I couldn't help but get my stiff cock out and start wanking – it was just so fucking horny!

Cathy tongued my wife for a few minutes, making her arch her back and moan, trying to press her pussy against Cathy's face. Donna was squeezing her tits through her T-shirt, and I could see her stiff nipples pressing against the thin material. Then Cathy stood up and started to undress. Donna stripped too, and the pair of them stood up naked and snogged, caressing each other, fingering their sopping snatches. I could see that Cathy's face was wet with Donna's juices, and I have to admit I was desperate to fuck one of them, but we'd made an agreement, so I had to just sit there and watch. It was torture!

Perhaps sensing this, Donna looked over to me and smiled, then turned her attention back to Cathy. They knelt on the floor and carried on kissing, frigging each other, really going for it. Then Donna gently pushed Cathy down onto her back and straddled her in a '69' position. From where I was sitting I had a perfect view of Donna's face bending down over Cathy's pussy as she started to lick her out. I could see Cathy's arms wrapped around Donna's pert arse, and the pair of them started to rock gently back and forth as they lapped and licked at each other.

After a few minutes it was almost too much to bear. I could hear them moaning and see that they were using tongues and fingers on each other. Cathy was obviously getting closer and closer to coming, her moans getting louder and louder as she started to lose control. Within a minute or so, both her hands grabbed Donna's arse tightly, and her legs clamped around Donna's head as she came. After a while her grip eased, and Donna raised her head to look at me. She had a wicked grin on her face, and I could see that she was close to climaxing herself. So was I, as it happens – I'd been wanking myself stupid as they fucked and was getting pretty close to my vinegar strokes.

"Enjoying the floor show?" Donna asked. I nodded, looking straight at her and wanking. Donna laughed and crawled over to me, Leaving Cathy lying on her back, getting her breath back. "Come on then," my lovely wife said, "I want you to wank all over my face and tits." I couldn't believe it – my wife was acting like a total slut!

Donna leaned back, so that her tits were right in front of me. I stood up and started to tug myself frantically. Sure enough, my cock was soon spitting streams of come over her face and tits. Donna continued to frig herself as I spat my load over her, all the while telling me how horny she was. Then Cathy came over, grabbed Donna and snogged her. When they came up for air, strings of my come hung from their faces, and they started to lick each other clean. If I hadn't already just shot my bolt, that sight would've done it for me for sure!

> "I had a perfect view of Donna's face as she started to lick her out."

After that, the girls went upstairs and I crashed in the lounge, as we'd agreed. I wasn't complaining, though, as that was definitely the sexiest thing I'd ever done up till then, and I couldn't resist another wank as I thought about what they were up to!

Donna's stories of what actually went on upstairs are pure filth, and I'm rather hoping that, if they get it together again, they'll let me join in next time. Fingers crossed! In the meantime, I've got some pictures the girls took upstairs to fire my imagination. They're not the best quality – but they give me a pretty good idea what I might have in store!

Steve, Bangor.

Double Dare

It started-out as a stupid dare. Mandy and I stripped and took a shower together as the guys watched, hooting and whistling as we playfully pressed our soapy tits against the shower screen. At first we were just doing our own thing, side-by-side. However, with their encouragement, we started messing around – it wasn't really a proper lesbian thing as we wrapped our arms around each other and kissed. But something changed as I trapped Mandy's plump lower lip between my teeth and ran my tongue over it. She had deliberately angled her body away from mine to avoid touching me. Now our slippery breasts squashed together as our tongues flickered softly into each other's mouths. Although it had been for show, I hoped that this was now real. As the steam built, my hands tugged on Mandy's unresisting slender waist and our legs scissored between each other, which meant my soapy pussy was pushing against her thigh and hers was on mine. We pressed together in a way that was undeniably sexual and the water was suddenly cascading over our combined bodies as they intertwined and became one.

> "My sopping pussy was pressing against her thigh and hers was on mine."

I let my kisses wander down into the nape of Mandy's neck. "I want to lick your pussy," I whispered in Mandy's ear and I felt her nipples go rock-hard as they rubbed against my tits.

"Are you just saying that because...?" she whispered back.

"No I really want to; I want to taste you: make you come." My words made her shiver and as she gazed at me dreamily, I felt hornier than I had all night.

Mandy leant forward and our lips met for another longer, deeper kiss which only broke as she dragged her pussy down my thigh. "Let me do it to you," I whispered, "let me lick your pussy."

"OK," she said, blinking steamy mist from her eyes and we kissed again, this time soft, sweet and passionate; a kiss which spoke of things to come: a showcase of my oral skills. She smiled a secret smile as she tucked her hair behind her ears and stepped from the shower, wrapped a towel around her fabulous body and led me out into the hallway.

"You two going to have some lesbian fun together?" someone called from behind as a joke.

"Yes, actually, we are," Mandy said loudly without turning round, which was greeted with a chorus of "Oooohhs". She locked the door behind us and as I lay down on the

bed, she looked down with nervous expectation written on her face. "So how do we actually do this?"

A vision of lesbian naughtiness popped into my head. I wanted her to mount me, grind her pussy on my mouth, let her juices pour down into me – but I couldn't tell her that at this early stage. "Well," I answered in a silly voice, pulling my towel open. "Perhaps we should get to know each other better. I think we should start with a 69." It had the desired effect as Mandy burst out laughing and she was still giggling as she opened her towel and swung her leg over me, her athletic bum and perfect pussy suddenly illuminated in spectacular detail by her bedside lamp. She backed her cute bum up towards my face and I craned my neck up and took a mouthful of pussy. Mandy shrieked and squirmed away but instantly pushed back to try again. Her pussy was everything I'd imagined and more – soft, sweet and juicy. I pulled down on her hips and was smothered for a few glorious seconds with my nose pressed against her pretty bumhole and my tongue fighting to gain entry to her pussy. I sucked down on her labia and ran my tongue along her slit but as she moved to do the same to me, her bum rose up out of reach.

> "Her clitoris was hanging down like a Christmas decoration from its tree."

I needed to gain height and decided to fold her pillow in half under my head. My heart skipped a beat as I reached under it and knocked against something I recognised immediately: a vibrator, and as I reached further back, I found another bigger one. It was immediately obvious to me what she did with this 'little and large' pair – arse and pussy simultaneously. She didn't – Mandy put the big one in her pussy and used the small one on her clit to reach orgasm. She didn't 'do' anal of any kind. (Ooops!!) I imagined using her toys on her – the view would be spectacular from down here, with the two toys sticking out between her splayed thighs and bum. I'd have to do her bum first. How would Mandy react if I started to try and stick her secret toy into her arse? There was only one way to find out!

I hauled myself up and managed to plant a slobbery kiss right on her bumhole. I actually saw it clench in response to my touch. Of course I didn't realise just what a significant moment that was for Mandy – no-one had ever touched her 'there' before. I took the finger-sized toy, twisted the base and pressed the buzzing vibe against her anus. She didn't resist as I eased it in, although Mandy stopped the tentative exploration she'd been doing between my legs. It was a stunning view as I looked up to see the base of the plastic tube protruding from her bum as I angled the bigger toy against Mandy's pussy. It had enormous girth and her labia stretched wickedly as it went in. Combined, the two toys buzzing inside her must have been giving intense pleasure. I added to that pleasure as I was high enough now to touch my tongue against her clitoris which was hanging down like a Christmas decoration from its tree. Mandy felt my touch and lowered herself so I could take her flesh fully into my mouth.

We were locked together like that for a very long time, until Mandy reached round and extracted the big vibrator. "Probably too much for her," I thought but I was totally wrong. She just wanted my mouth to have full, unimpeded access to her pussy. Mandy had more sexy ideas of her own and moments later I felt a familiar 'something' buzzing against my crotch before it came spearing into my own pussy. Now there was a pleasing symmetry as we each had a toy buzzing inside and we were licking each other. Mandy was following my oral lead very closely and I had the strange sensation that I was somehow licking my own pussy.

> "I had the strange sensation that I was somehow licking my own pussy."

That dirty thought gave me an added level of stimulation and I knew that it wouldn't take me long to orgasm at this rate. I licked faster and harder and the tongue on my clit matched exactly my motions. It was absolutely perfect and I backed-off a little and teased myself for a while before upping the pace to take me over the edge in a magical surge of sexual release. Mandy broke into her own orgasm seconds before I reached mine and as we writhed in simultaneous ecstasy, it felt like we were fused together into one powerfully orgasmic animal. Neither of us let-up as the sexual tension drained from our bodies.

"Wow," Mandy breathed as she rolled off me and stumbled from the bed like a wild-haired gypsy. She reached behind and with a look of intense concentration, carefully extracted the vibrator from her ass. She looked stunningly beautiful in the soft lamp-light and it was spellbinding to watch her. Looking down at me hungrily, she glanced at the locked door. Neither of us was ready for this to end just yet. "Will you stay?" she asked uneasily, "and maybe play with my… bum?"

"Sure," I replied and dragged the sweaty, dirty blonde back down to bed and looked deep into her eyes as I slipped my fingers down between her thighs and probed her arse, making her sigh contentedly, "I'd love to…"

DVD Reviews

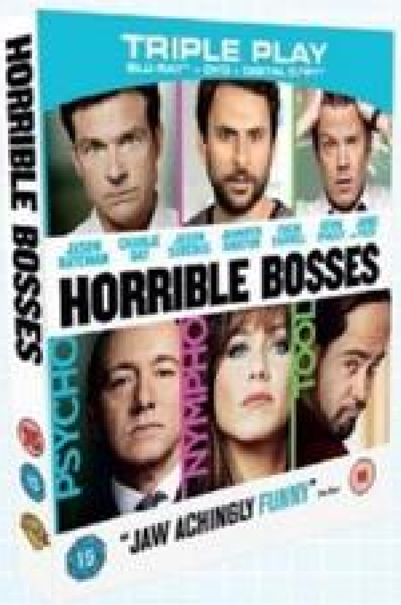
A trio of very interesting flicks this month – especially if you like the idea of watching Jennifer Aniston playing with herself in the bath…

DVD OF THE MONTH

HORRIBLE BOSSES

Warner Home Video

4/5



Jason Bateman, thanks to his starring role in the fantastic *Arrested Development* (word has it there's finally a film version of that on the way), is finally getting the chance to make a name for himself in the movies, and this recent comedy gives him the perfect opportunity to show off his comic chops. He stars as Nick Hendricks, a put-upon office drudge who, after years of brown-nosing his manager (Kevin Spacey) finally looks set to get the promotion that's been in the offing. But then the rug is pulled away from under his feet, triggering something of a breakdown and providing the impetus for this revenge tale. And what do you know, Hendricks's two best chums also have awful bosses (although perhaps not all of us would object to the thought of being sexually harassed all day by Jennifer Aniston) and so a plan is hatched to rid the world of this trio of petty tyrants – except, of course, the friends (Bateman, Charlie Day and Jason Sudeikis) don't really have a clue about how to go about it…

This gives the guys plenty of opportunities to get into various scrapes, including a nicely judged run in with street hustler Jamie Foxx, meaning there are loads of laugh out loud moments. And while the good guys get most of the funny lines (and there are plenty), it's the bosses that seem to have the most fun, with Spacey, Aniston and Colin Farrell all revelling in their characters' manifold flaws. Likeable screwball fun, with a super sexy turn from Aniston to boot!

Director Ben Wheatley's got a good surname for occulty horror, and it soon becomes apparent that he's got a good touch as well…

Neil Maskell stars as Jay, an ex-services family man who's been unemployed for months, causing family nerves to fray, until old comrade Gal (Michael Smiley) tempts him back into their previous profession as hit men. Well, things soon turn nasty, with Jay in particular being drawn further and further into a web of (often pretty full-on) violence as the pair move from one hit to the next… until things take a sudden, and largely unexpected, twist towards the occult.

While it leaves you feeling a bit like you've watched two films spliced together (and the ending's rather predictable), this is still packed full of expertly handled chills. Top British horror!

Computer geeks back in the '80s may have lusted over Kelly LeBrock in *Weird Science*, but artificially created women took a turn for the creepier in 1990. Frank Henenlotter's fantastically titled *Frankenhooker* takes its cue from *Weird Science, The Man With The Brains* and, of course, *Frankenstein*; and – with plenty of his own gory touches thrown – in tells the tale of a man who, having accidentally killed the love of his life, decides to rebuild her using the body parts of prostitutes he's exploded with his new drug, supercrack! It's bonkers fun, and we've got 3 blu-rays of this re-issue (with loads of extras) from Arrow Video to give away! Just tell us who wrote *Frankenstein*, and send your answers to Men Only's Frankencomp at the usual address, or email menonly@paulraymond.com by January 13th 2012.

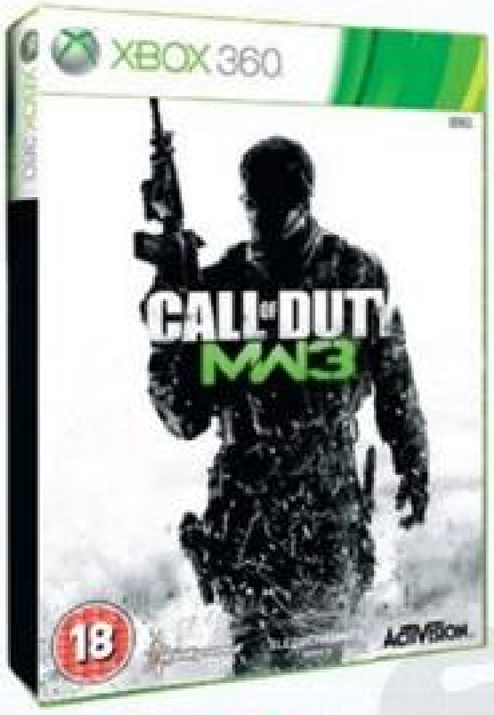
Games Reviews

COD: MW3 – you don't need actually words to get gamers creaming their strides these days, and here's why…

CALL OF DUTY: MODERN WARFARE 3

Acvtivision - X360, PS3, PC, Wii.

10/10



GAME OF THE MONTH

It was probably the most eagerly anticipated release of the year, and now, at last, COD3 is here! if nothing else it gives folk with nothing much else to do the chance to get on the news by queuing up outside shops all night in their desperate quest to get a copy as soon as the doors open, but now the dust has settled and we've had a chance to take a proper look at the game, what's the verdict…? In a word, awesome!

As it's a first person shooter were tried out the single player version first. It's set in 2016, and nasty Russian oligarch Vladimir Marakov is stirring up a 3rd World War nicely by trying to blow up various famous sites around Europe. Well, OK, as tactics go its a bit *Thunderbirds*-y, but it makes for cracking visuals as you take MacTavish and co around London, Prague *et al* trying to scupper his plans.

Of course the multiplayer version will be were this game really comes into its own, though, and there are missions and modes aplenty to keep people coming back for more for months. The graphics are dazzling, the gameplay smooth and well, if you want to run around shooting people, this is the best option going.

NEED FOR SPEED: THE RUN

EA - X360, PS3, PC, 3DS, Wii.

7/10

XBOX 360
NEED FOR SPEED
THE RUN

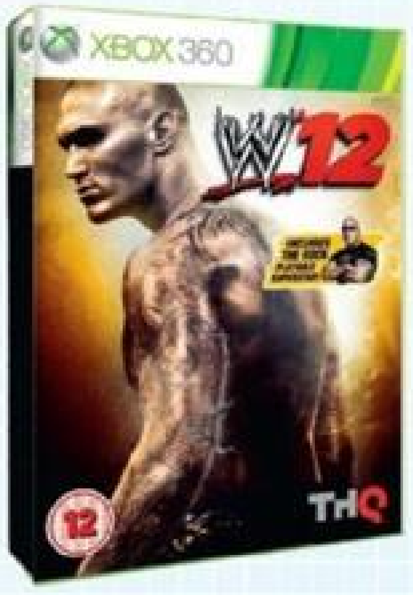
EA

Racing games tend to split the crowd – many love the adrenalin-fuelled thrills of hooning around in a virtual car without a care in the world, while for others… well, it's just more driving, innit? Still, there are plenty of driving fans out there, as attested by the fact that this is the 18th NFS title so far! *The Run* takes you on a high-octane race across America from sea to shining sea, and while there's also a bit of a plot in there to do with crime syndicates, it's really not necessary at all. Real locations and a 16 player online option should keep pertrolheads happy!



WWE '12

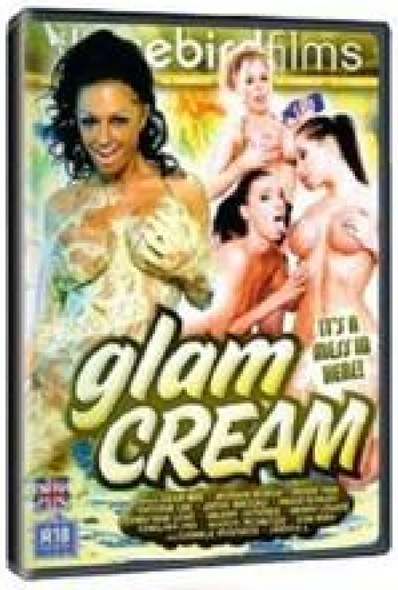
THQ – PS3, X360, Wii.

8/10

OK, so there might not be an actual 'E' apparent on the cover, but there is an apostrophe, which is a good effort from developers THQ! Perhaps people would wonder why there weren't 11 predecessors without it…? Anyway, it's as good as way to take on the big names of WWE like Shawn Michaels and Jim Ross without having to worry about health insurance. There's even the option to download the Rock – something that's bound to put an extra bulge in players' lycra undies…

Porn Reviews

Girls being squirted with custard left right and centre? Yes, we know – but it just so happens that this time it's actually real custard, rather than the trouser variety…



GLAMCREAM

Bluebird

CAST: Leila Bee, Jasmine Black, Reede Fox, Tammie Lee, Jamie Brooks, Paige Ashley, Christine Love, Valery Summer, Kerry Louise, Chelsea Sax, Alysson McKenzie, Eva May, Charlie Monaco, Sammi J.

EDITOR'S CHOICE

Little did I think when I got up this morning that by mid-afternoon I'd be sitting through 147 minutes of big-titter sploshing madness, but that's the joy of being one of the nation's handful of full-time scruff critics! Sploshing, though – is that most 80's of genres going to make a comeback? Have we grown tired of watching people actually, you know, having sex? I don't think I have – and I watch them at it all working day (and then for another 12 minute or so when I get home)…

This one opens with busty Jasmine Black grappling with the rather cute Leila Bee. They scoff a strawberry or two and then start larking about with the squirty cream. Leila's soon slathered in the stuff, then Jasmine has a go, before a couple of little vibes comes out to play. Umm, and then that's it.

Three girls next, with Jamie Brooks and a couple of near identical looking brunettes (except for their boobs) squirting treacle all over each other. Thereafter they all lap away at each other's bits and pieces, although Jamie remains more of a spectator as things get ruder. More foodstuffs follow, with three blondes rubbing cream buns all over themselves in a different corner of the studio, and then a rather peculiar custard fight, which entails a couple of girls flinging custard at each other from a couple of pink buckets. A spot of jelly wrestling and then some ecclair-siastical excess see us out, bringing an end to a film that's a bit of a throw-back, but should keep all those sploshers out there happy enough! **3/5 Available at your local sex shop.**

MISSION ASS-POSSIBLE

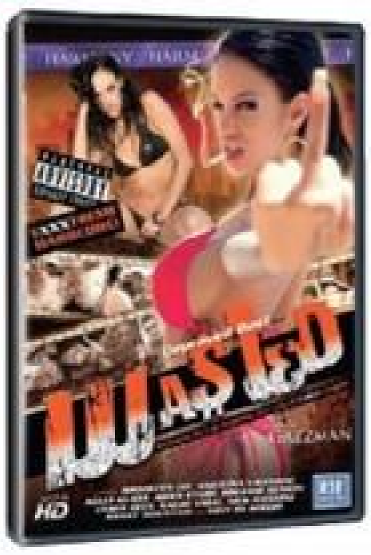
Private

CAST: Sophia Santi, Brooklyn Lee, Kortney Kane, Tarra White, Donna Bell, Blanche, Nataly Von, Melanie Memphis.

OK, so we can forget about the ridiculous pun in the title – if nothing else, it does at least impart the information that this is some sort of *Mission Impossible* spoof with a load of bummery thrown in. Well, it sounds like a good enough idea for a scruff flick to me, so let's get down to the nitty-gritty.

Toni Ribas stars as the suavely named Ethan Cunt, a secret agent whose job, along with the job of several other undercovers agents, is to track down and kill Pablo Morales, a thoroughly nasty looking criminal kingpin (Antonio Ross) during a cruise on the *Kinky Princess* cruise ship. After a bit of comedy violence (in which she attempts to defend herself by chucking a pillow), nasty Pablo gets his mitts on the rather cute Brooklyn Lee, and from the way she dribbles on his cock and noshes him off, it's clear she's quickly come round to his way of thinking. Why the horny thing even lets him do her up the doodie before he pumps her mouth full of jizz and, um, they both sit down for a breather. A bunch of reprobates sit down for a game of poker next, which quickly leads to a couple of blondes stripping off so that stetson wearing Mick Blue can bugger them to a slow blues number.

Top scene is probably French Maid Donna Bell taking an interracial double-dicking, although the orgy at the end's pretty cracking as well. A good effort from Private, really – pretty girls and plenty of hot nookie! **4/5**



WASTED

Harmony

CAST: Brooklyn Lee, Angelina Valentina, Kelly Klass, Aiden Starr, Breanne Benson.

This American offering from Harmony, according to the notes on the back, offers the viewer 'a harsh, Reality [sic] look at the dark and sleazy world of pornography' which I would have thought is the last thing we'd have wanted, but hey – who knows! – maybe we all like being shown just how miserable and exploited the performers are as we're desperately trying to have a tug?

If that weren't enough to put you off your stroke, scene one starts up with James Deen pissing all over someone's windscreen and acting the raging alcoholic – 'I need my fucking beer, dude!' It's a bit laughable, really, but after five minutes or so we cut to busty brunette Brooklyn who gives us a tease, patting her shapely boobs until boozy Jim strolls in and gets involved. He's soon slamming her any which way he can, including quite a lengthy pronging in the jacksie (A2M included) before spuffing all over her. A strong scene, really, until a 'drunken' Deen then pukes all over as well!

This month's interviewee Angelina Valentine plays a spoilt potty-mouth in the next scene – she only lays off the cussing when she's got a cock in her mouth. Cue Tony de Sergio, as ready as ever to poke his knob into a bint's pie-hole. That certainly shuts her up, and by the time he's poked her and creamed all over her boobs she certainly seems a lot happier with things. There's plenty more, and while the sex is always there or thereabouts, the conceit behind the film seems a bit unnecessary, frankly. **3/5**

ORAL OVERLOAD

Adam & Eve

CAST: Victoria White, Kortney Kane, Kaci Starr, Britney Amber, Nicole Aniston, Jaelyn Fox, Jeannie Marie, Rylie Richmon, Cherry Torn, Alia Janine.

165 minutes, ten girls, and ten blow-jobs? Yes, that does sound like a bit of an overload for one sitting, to be honest – this is probably one of those flicks that's better dipped into from time to time rather than sat through from start to finish, so pity the poor reviewer who's got to try and make notes while 10 honeys nosh off three lucky cocks in quick suck-cession *(Just get on with it – nobody feels sorry for you! – Ed.)*. Very cute Victoria White's first up, larking about in a little 'college' uniform in front of a blackboard before heading over to the cocksman, kneeling between his thighs, and giving him a capable blowie. As POV blow-job scenes go it's perfectly acceptable… as are the remaining nine. The girls are definitely at the prettier end of the range, with Kortney, Britney, Nicole and the wonderfully named Cherry Torn all deserving particular mentions. **3/5**

ALESKA & ANGELIKA

Marc Dorcel

CAST: Aleska Diamond, Black Angelika, Valentina Blue, Cindy Hope, Aliz.

Well the two starlets of this French-produced feature are certainly a couple of the more eye pleasing flampers on the circuit, and they're both in action in the first scene. Black Angelika ties an extremely lucky dude to a chair and strips off for him before blindfolding him and inviting Aleska down to join in the fun. They're soon both chomping on his cock, and a really fantastic threeway ensues. Nothing too pervy – just two very good looking girls getting pronged in a well lit and shot opener. Things turn a bit anal in scene two, which is set, as we are informed by a subtitle, in a trendy nightclub – just in case we thought it was a mechanic's workshop or something. There are plenty more luxurious locations to come, not to mention plenty more studs, thanks to ministrations of the comely cock-jockeys on display. Excellent production values all round. **4/5**

SEE MY HARDER PICS

Here in the good old Northern Hemisphere Christmas is a time for wrapping up, chucking a few logs on the fire and swigging down mulled wine; but down south in Australia, of course, it's all about covering up, chucking a few prawns on the barbie and swigging down some cold beer. With that in mind – and to make our Aussie readers feel at home – we thought we'd get top Aussie snapper and part-time Brian May lookalike Dazza McCormack to shoot us a beach set of the incomparable Kyla Cole! Look, it's as good an excuse as any to get curvy Kyla and her furry muff back in the mag. Wanna make something of it?

Andie

Photos: Stephen Hicks

WorldMags

I've been lusting after Andie Valentino's legendary love-lips ever since I first saw them a couple of years ago – and they just seem to get better and better every time we see them! Really, one of the best things about twats is that they come in all shapes and sizes – wouldn't it be terrible if they all looked exactly the same? – and it's fantastic to see a girl who's as proud of her fanny-flaps as Andie. In fact quite possibly the only thing that could make her labia majora look any lovelier would, I guess, be the sight of my knob sliding back and forth in between them. Blimey, just the thought of it's got me feeling a bit weak at the knees all of a sudden...

COMING NEXT MONTH

CHARMAINE SINCLAIR!
JAMIE

Well have we got a treat for you, next month? Er, yes, we have – the top shelf return of the legend that is Charmaine Sinclair! That's right, folks – she's back where she belongs, in the pages of *Men Only*, giving all you lot a brand new opportunity to check out one of the biggest names of the UK glamour scene! Oh, and there's plenty more, too – the wondrously chested Jamie, for starters, as well as sizzling UK babes Natasha Marley and Sophia Knight and a whole lot more. Roll on 2012!
